Elections are coming up for three board positions: Chair-elect, Secretary and Member at large. Please contact Christine Benedetti (cns211@gmail.com) by June 15th if you are interested in running or have questions.

The board has developed an award for "Pediatric Renal RD of the year" and stipend that will be awarded to members annually.

ASPEN and NKF CRN now endorse PRONA. Both groups have been involved in review of the pocket guide.

Committees continue to work on several projects and are happy to welcome new members interested in current and future endeavors.

Current projects include:

- Review of the formula calculator
- Creation of a growth chart overview handout
- Developing a mentorship program for pediatric nephrology RD's
- Library of existing resources in an effort to identify gaps in available resources
- Development of a pediatric renal cookbook
- Vitamin D guidelines
- Evaluating the use of nPCR in younger patients
- Utilizing CKiD data in research
- Evaluating treatment of hypophosphatemia with fleet enema
