

Newsletter

February 1st, 2020

- Pocket guide reviews are underway. Please check your inboxes for revision requests from the editors. Revisions are due two weeks after receiving this request.
- Committees are in preliminary planning stages and include:
 - Clinician Resource Committee: Contact: jdtower@cmh.edu, pkapustik@americanrenal.com
 - Patient Resource Committee: Contact: ireckson@gmail.com, estherbq1@yahoo.com
 - Guideline Development Committee: Contact: maryann.mcmaster@ahs.ca, Lesleyperez@ahs.ca
 - Research/Data Sharing Committee: Contact: maggie.murphy@uky.edu, mdjuarez@texaschildrens.org
 - Promotion and Networking Activities: Contact: clnelms@gmail.com
- Collection for annual membership dues will begin this month and will be \$40/year. The membership year will begin in August. Members who sign up between February 1st and March 1st 2020 will receive the first 5 months free and will not need to renew August 2020 for the upcoming year.
- Member benefits include:
 - Free web access to our Pediatric Renal Nutrition Pocket Guide and the Renal Formula Calculator.
 - CEU opportunities for pediatric renal disease.
 - Web linked references for relevant guidelines, articles, and resources related to pediatric renal nutrition.
 - Calendar of upcoming meetings and events pertinent to the field of pediatric renal nutrition.
 - Networking opportunities and access to an archive of nutrition related education handouts.
- Our website is up and running. We will be adding to it regularly as the year goes on. Please check us out at Prona.online to register for membership.
